Due to the increasing number of children with food allergies, in particular nut allergies, we are implementing the following policy to ensure a safer environment for our children with nut allergies

**THE FOLLOWING FOODS WILL BE PROHIBITED IN FUTURE'S BEST
NURSERY ACADEMY:**

PEANUT BUTTER, ANY NUTS, AND SNACKS CONTAINING PEANUT BUTTER
OR NUTS (IE CRACKERS, CAKES, GRANOLA BARS AND CANDY)

Reminder: The safety of children with food allergies depends on a good communication and sharing of information between parents, the child's health care provider, our staff and others in contact with the children when in childcare including the parents of other children. It is very important to provide us with updated information about any allergies or changes. We will continue to be diligent about monitoring food intake at our center and prevention of food sharing between children.

Thank you for your cooperation in this very important matter. If you have any questions, please feel free to contact us.

Thank you,
Nurse Bridget
